

WHO WE ARE

We are, first and foremost, an oyster farm. Our mission is simple - grow the world's finest oyster and have the best possible time doing it. We not only carry our own Island Creek oysters, but also have selection of oysters from boutique farms on Cape Cod, the West Coast, and the East Coast; some of which we work with exclusively. We also carry razor and littleneck clams, scallops, mussels, and seaweed.

HOW TO ORDER

To place an order, you can call, text, email us... or we can set up a regular, convenient time to call, text, or email you. Really, whatever is easiest for you.

You can also call our order line at anytime, which has updated product information of what is available, changed every single day.
